British Newspapers of All Shades of
Opinion Hearty in Con-
gratulations.

(By Associated Press.)
LONDON, Nov. 29.—Lady Astor's
election to the House of Commons from
Plymouth is easily the feature of this
morning's newspapers, which devote
their best columns to incidents and
pictures in connection with yesterday's
ceremonies at the Plymouth Guild Hall
and discussions of her future status in
the House of Commons.

Never, perhaps, have there been such
a hearty and general editorial wel-
come given any member of the House,
newspapers of every shade of political
opinion congratulating Lady Astor and
welcoming her entry into Commons,
where wonderful opportunities await
her.

The fact that her entry into Parlia-
ment breaks a tradition of six cen-
turies is remarked with especial inter-
est, but doubt is expressed by some
papers that her success will be fre-
quently repeated by other women, the
circumstances of her candidacy having
been unusually favorable.

The rigorous electoral campaign con-
ducted by Lady Astor has not dimin-
ished her energy.

Lady Astor addressed a mass meet-
ing of government dockyard em-
ployees this afternoon, advising the
men to consent to work one day less
weekly, in order to prevent laying off
of workers, until the government could
prepare a scheme for the construction
of merchant vessels.

Held Up in His Own Home.
NEW YORK, Nov. 29.—Four holdups
involved fashionable West End Avenue
early today and robbed a Washington
Market merchant of \$40,000 in the
vestibule of his own home. The rob-
bers escaped in an automobile.

Denounced Father to Foe to Marry a Girl

PARIS, Nov. 29.—He objected to
my sweetheart, so I got him out in
prison and then married the girl,"
was the defense before court-
martial of Albert Quirin, accused of
betraying his own father to the
Germans.

The father was Mayor of a small
town in the suburbs of Lille and de-
ceived the enemy by issuing and
paying for supplies in false certifi-
cates. When he forbade his son to
consort with a woman suspected of
being a German spy the son de-
nounced him.

Two American Ships Stop at Falmouth
on Account of Machinery and
Hull Troubles.

(By Associated Press.)
FALMOUTH, Nov. 29.—The American
steamer Galesburg, bound from Rotter-
dam, November 21, for Norfolk, put
into port today because of water in
No. 2 hold. The cargo is damaged.

The steamer Flavel arrived at Fal-
mouth today with boilers leaking and
machinery damaged. She is bound
from Galveston and Jacksonville for
Helsingfors.

How Can I Have
Beautiful Hair
And Skin?

In most cases by making Cuti-
cure your every-day toilet
preparations. Thus you have
the delicate Cuticura medica-
tion applied in a natural and
wholesome way, calculated to
restore clogged, irritated skin
pores to health, and health
means beauty and purity.

If Your Complexion Is Marred

by clogged pores, pimples, blackheads,
redness or roughness, gently smear
the face, on rising, with Cuticura
Ointment on the end of the finger.
Wash off in five minutes with Cuticura
Soap and hot water, using plenty of
soap, best applied with the hands,
which it softens wonderfully, and
continue bathing a few minutes. Final-
ly dust on a few grains of Cuticura
Talcum, the most fragrant and health-
ful of Talcum Powders.

If Dandruff Menaces Your Hair

touch spots of dryness, dandruff or
itching, on retiring, with the Oint-
ment on end of forefinger. Cover
head for night. Next morning sham-
poo with Cuticura Soap and hot water.
Rinse with tepid water. Repeat in
two weeks if needed.

Then make these fragrant super-
creamy emollients your every-day
toilet preparations, and have as a re-
sult in most cases a clear, sweet,
healthy skin, clean scalp, good hair
and soft, white hands with little
trouble and trifling expense.

Soap 25c, Ointment 25 and 50c, Talcum
25c. Sold throughout the world. For

oratories, Dept. O, Malden, Mass."

MILITARY JUNTAS ILLEGAL

Spanish Cortes Upholds Officers in Re-
fusing to Resign on Order of
"Tribunal of Honor."

MADRID, Nov. 29.—The supreme
council of the war ministry has deter-
mined that the decision of the military
tribunal of honor, which ordered eight

teen officers to resign because they re-
fused to join military juntas, to be il-
legal.

The officers wrote they meant no of-
fense to their fellow officers by refus-
ing to join their organization.

In the Cortes today the Republican
motion declaring juntas illegal was re-
jected by a vote of 22 to 11. The
greater part of the liberal Democratic

and Reformist deputies quit the cham-
ber when the vote was called in order
to avoid casting their ballots.

Maudie Powell Out of Danger.
ST. LOUIS, Nov. 29.—Maudie Powell,
the violinist, who suffered an acute
gastro attack in the course of a re-
cital here Thursday, was reported vir-
tually out of danger today.

WHEAT WEEVILS WILD

Invasion of Grain Pest Worries Kansas
Farmers and Has Experts
Gazing.

OSAWATOMIE, KAN., Nov. 29.—The
invasion of this section by the wheat
weevil is causing farmers to become

alarmed. The losses due to the pest,
it is stated, are becoming enormous.

According to H. B. Ball, a grain
elevator manager, the worm is about
one-half inch in length and closely
resembles the boll weevil. It works
down in the wheat and feeds solely
upon the heart or kernel.

Nearly every bin in this vicinity
seems to be affected.

with Thanksgiving a memory for this year

thoughts should turn to gift lists

Here is ours, carefully compiled for your guidance and instruction:

a fairly comprehensive synopsis of those articles in the store which lend themselves to gift-giving. Some are more appropriate than others—all (and this is very important!) are of extremely good quality—a fact that should appeal to you, in as much as gifts of quality (Mosby quality) are cherished in greater measure and are more impressive.
